My monthly payment will be recomputed, according to Sections 4(E)(F)(G)(H) and (I) of the
Note, to reflect changes in the Principal balance and interest rate that I must pay. The Note Hold will determine my new interest rate and the changed amount of my monthly payment in accordan with Section 4 of this Note.  4. INTEREST RATE AND MONTHLY PAYMENT CHANGES  (A) Change Dates  The interest rate I will pay may further change on theist day "Change Date".  (B) The Index  On each Change Date, my interest rate will be based on an Index. The "Index" is at Twelve-Month Average, determined as set forth below, of the annual yields on actively trade United States Treasury Securities adjusted to a constant maturity of one year as published by it Federal Reserve Board in the Federal Reserve Statistical Release entitled "Selected Interest Rat (H.15)" (the "Monthly Yields"). The Twelve-Month Average is determined by adding together it Monthly Yields for the most recently available twelve months and dividing by 12.  The most recent Index figure available as of 15 days before each interest rate Change Date called the "Current Index". If the Index is no longer available, the Note Holder will choose a neindex which is based upon comperable information. The Note Holder will give me notice of the choice.  (C) Calculation of Changes  Before each Change Date, the Note Holder will calculate my new interest rate by adding Two & Three Bundred Seventy-Five-Thousandths percentage points 2.375"  ("Margin") to the Current Index. The Note Holder will then round the result of this addition to the nearest one-thousandth of one percentage point (0.001%), Subject to the limits stated in Section of Change in the proper which ends on the last date the Index was available plus the Margin will be determined. The went a new Index is selected, pursuant to paragraph 4(B), a new Margin will be determined. The went and the result of this addition to the next higher 1/8 of 1%.  (D) Interest Rate Limit  My interest rate will never be greater things available plus the Margin on the last date the Index was available plus the Margin on the last

\$

(G) Changes in My Unpaid Principal Due to Negative Amortization or Accelerated Amortization

Since my payment amount changes less frequently than the interest rate and since the monthly payment is subject to the payment limitations described in Section 4(F), my monthly payment could be less or greater than the amount of the interest portion of the monthly payment that would be sufficient to repay the unpaid Principal I owe at the monthly payment date in full on the maturity date in substantially equal payments. For each month that the monthly payment is less than the interest portion, the Note Holder will subtract the monthly payment from the amount of the interest portion and will ad the difference to my unpaid Principal, and interest will accrue on the amount of this difference at the current interest rate. For each month that the monthly payment is greater than the interest portion, the Note Holder will apply the excess towards a principal reduction of the Note.

(H) Limit on My Unpaid Principal; Increased Monthly Payment

My unpaid principal can never exceed a maximum amount equal to 110% of the principal amount original borrowed. In the event my unpaid Principal would otherwise exceed that 110% limitation, I will begin paying a new monthly payment until the next Payment Change Date notwithstanding the 7 1/2% annual payment increase limitation. The new monthly payment will be an amount which would be sufficient to repay my then unpaid Principal in full on the maturity date at my interest rate in effect the month prior to the payment due date in substantially equal payments.

(I) Required Full Monthly Payment

On the FIFTH anniversary of the due date of the first monthly payment, and on that same day every FIFTH year thereafter, the monthly payment will be adjusted without regard to the payment cap limitation in Section 4(F).

(J) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

(K) Failure to Make Adjustments

If for any reason Note Holder fails to make an adjustment to the interest rate or payment amount as described in this Note, regardless of any notice requirement, I agree that Note Holder may, upon discovery of such failure, then make the adjustment as if they had been made on time. I also agree not to hold Note Holder responsible for any damages to me which may result from Note Holder's failure to make the adjustment and to let the Note Holder, at its option, apply any excess monies which I may have paid to partial Prepayment of unpaid Principal.

5. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment". When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all

the monthly payments due under the Note.

I may make a full prepayment or partial prepayments without paying any prepayment charge. The Note Holder will apply all of my prepayments to reduce the amount of principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the principal amount of the Note. If I make a partial prepayment, there will be no changes in the due dates of my monthly payments unless the Note Holder agrees in writing to those changes. My partial prepayment may have the effect of reducing the amount of my monthly payments, but only after the first Payment Change Date following my partial Prepayment. However, any reduction due to my partial Prepayment may be offset by an interest rate increase.

6. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then; (a) any such loan charge shall be reduced by the amount

ORIGINAL ORIGINAL

necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

Miscellaneous Fees: I understand that the Note Holder will also charge a return item charge in the event a payment that I make in connection with repayment of this ioan is not honored by the financial institution on which it is drawn. The current fee is \$\_\_15.00\_. Lender reserves the right to change the fee from time to time without notice except as may be required by law.

#### 7. BORROWER'S FAILURE TO PAY AS REQUIRED

#### (A) Late Charges for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of <u>Fifteen</u> calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be <u>2.000</u>% of my overdue payment of Principal and interest. I will pay this late charge promptly but only once of each late payment.

#### (B) Default

Ź

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

#### (C) Notice of Default

if I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the Interest that I owe on that amount. That date must be at least 10 days after the date on which the notice is delivered or mailed to me (or, if the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation buys all or part of Lender's rights under the Security Instrument, in which case the notice will specify a date, not less than 30 days from the date the notice is given the Borrower).

# (D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

#### (E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note, whether or not a lawsuit is brought, to the extent not prohibited by Applicable Law. Those expenses include, for example, reasonable attorneys' fees.

# 8. GIVING OF NOTICES

Unless Applicable Law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

## 9. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety, or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety, or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

## 10. WAIVERS

I and any other person who has obligations under this Note waive the rights of presentment and notice of dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

# 11. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

Transfer of the Property or a Beneficial Interest in Borrower.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) the request to assume is made after one year following recordation of the Deed of Trust, (b) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (c) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument or other obligations related to the Note or other loan document is acceptable to Lender, (d) Assuming party executes Assumption Agreement acceptable to Lender at its sole choice and discretion, which Agreement may include an increase to Cap as set forth below and (e) payment of Assumption Fee if requested by Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption and Lender may increase the maximum rate limit to the higher of the Cap or 5 percentage points greater than the interest rate in effect at the time of the transfer. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender has entered into a written

Assumption Agreement with transferee and formally releases Borrower.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower falls to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

12. MISCELLANEOUS PROVISIONS

In the event the Note Holder at any time discovers that this Note or the Security Instrument or any other document related to this loan, called collectively the "Loan Documents," contains an error which was caused by a clerical or ministerial mistake, calculation error, computer error, printing error or similar error (collectively "Errors"), I agree, upon notice from the Note Holder, to reexecute any Loan Documents that are necessary to correct any such Errors and I also agree that I will not hold the Note Holder responsible for any damage to me which may result from any such Errors.

If any of the Loan Documents are lost, stolen, mutilated or destroyed and the Note Holder delivers to me an indemnification in my favor, signed by the Note Holder, then I will sign and deliver
